

CONTRACTS FOR IMPROVEMENTS AT COUNTY HOME ARE AWARDED

Reconstruction of the former insane asylum at the county home into a modern structure for use of the inmates there will cost the county \$48,890.24, according to bids accepted by the Adams County Commissioners this morning.

The bid, for the general construction work, of \$39,000 presented by O. H. Hostetter Co., of Hanover, was accepted by the commissioners as was the bid of \$2,495 by Diller and Wierman, Hanover, for the plumbing; \$3,956.69 by Francis E. Devine, McSherrystown, for the heating and \$3,438.55 by Stanley Hull, Gettysburg R. 3, for the electrical work.

The three bids presented for the general contract were O. H. Hostetter, \$39,000; W. R. Oyer, Waynesboro, \$40,920; Ulrich and Micke, McSherrystown, \$47,500. The bids submitted for plumbing were: Diller and Wierman, \$2,495; Weishaar Brothers, Gettysburg, \$2,552; Keystone Grate and Blower Works, Chambersburg, \$3,861. Heating bids were: Francis E. Devine, \$3,956.69; Diller and Wierman, \$4,190; M. J. Smith, \$4,363.13; Keystone Grate and Blower Works, \$4,636; Weishaar Brothers, \$4,993. Only two electrical bids were submitted, Hull's of \$3,438.55 and one by Stanley Stover, Littlestown, of \$3,464.

**Start In Two Weeks**  
Reconstruction of the building is scheduled to start in about two weeks, Alfred Hamme, architect for the building, told the commissioners this morning. The Hostetter company will have first the work of ripping out brick cells and walls within the old building. When the entire interior is removed, a steel frame interior will be constructed providing 32 rooms of which 22 will be rooms for guests at the home. The remainder will include nurses' rooms, reception room, an examining room, storage space and utility rooms.

After work is started, the contractors will have 240 days in which to complete the job.

Originally the commissioners had planned to turn the building into an infirmary, but crowded conditions at the county home have made it necessary to convert the building instead for residence by guests of the home. Hamme pointed out to the commissioners, however, that many of the infirmary features are being retained, "because these will be old people and to a large extent you will be operating under hospital conditions."

**Old Question Up Again**  
This morning the commissioners took up again a problem that occasionally plagues the county officials—what to do with old people who come here without a year's residence in Adams County and need the services of the county home. Under the law all residents of the county home must have been residents of the county for a year before they are admitted. A transients' building is maintained, however, by the county at the county (Please Turn to Page 2)

PRESBYTERIAN WOMEN PLAN FALL EVENTS

Plans for Presbyterian participation in local observance of World Community Day, arrangements for a congregational supper on October 29 and preparations for the annual Harvest Home service on November 23 were made at the October meeting of the Women's Service Guild of the Presbyterian Church Tuesday evening.

Mrs. Robert Ditchburn, the president, presided at the meeting at which the constitution for the proposed new organization of Presbyterian Church women here was read and discussed by Mrs. John C. Stahl and Mrs. C. Harold Johnson. Under present plans the new organization, combining the Women's Missionary Society and the Guild will go into operation at the beginning of the year.

The Guild voted to pay for a layette to be presented as part of the church's donation at the community service here on November 7, World Community Day. "Packets for Peace" will be gathered here to be sent to destitute areas of the world. Mrs. Maxwell Bucklew was placed in charge of the project for the Guild.

**Elect Representatives**  
The 150th anniversary of missions will be the theme at the congregational supper to be held at the church on October 29. The various churches were assigned duties in connection with the supper.

Mrs. Walker Manahan and Miss Irene Wolfe were placed in charge of the sale of special plates bearing a sketch of the local church.

Decorations for the Harvest Home service were placed in charge of Mrs. Stahl and Mrs. C. H. Heldt. The Guild elected Mrs. William Lott, Mrs. Wayne Keet and Mrs. E. W. SOROPTIMIST CLUB PREPARES YEAR'S PROGRAM

Reports of the chairmen of the finance and program committees of the Soroptimist Club of Gettysburg were adopted by the 23 members in attendance at the October business meeting held Tuesday evening at the YWCA. Miss Anna Weaver, Littlestown, presented the budget for the year, and Mrs. Guyon E. Buehler, Gettysburg, presented the program for the monthly dinner meetings held the fourth Tuesday of each month.

The year's program includes a Halloween party at the Cashtown Community Fire Hall this month during which members will present one another with a bundle of clothes for dressing up in Halloween costume. Mrs. George F. Eberhart announced that there will be no guests at this affair. In November, the 14th birthday anniversary of the club will be observed and the board of directors will have charge of arrangements. Members of the Hanover, York, Carlisle, Chambersburg and Westminster clubs and local guests will be invited to attend the formal affair.

**Christmas Dinner**  
A Christmas dinner and party, with an exchange of gifts, is planned for December. In January a dinner will be held in the upper end of the county and a covered dish supper is planned for February in the same locality. A Lenten dinner is scheduled for March and the annual dinner meeting will be held in Littlestown in April.

A bus trip over the Battlefield was announced for May and, in June, the Gettysburg group will be the host club for the annual installation of officers of the Hanover, York and Chambersburg clubs. A picnic will be held in July and a weekend party will be held in a mountain resort in August.

**Collect 31 Pennies**  
Mrs. Buehler, who had charge of the opening part of the meeting, explained the Founder's Day pennies program, after which the members turned in their envelopes containing 31 pennies, the exact age of Soroptimism. This is a project of the American Federation (Continued on Page 2)

CLEARFIELD MAN APOLOGIZES FOR "LOSS" OF AUTO

O. W. Kifer, Clearfield, visited the local police this morning to tell officials he was sorry for the trouble he had caused them. The police shrugged off the matter, and told Mr. Kifer he should be more careful about "mislaying" his auto.

Kifer reported to police Tuesday that his car had been stolen from its parking place on Carlisle St., then to his home in Clearfield. Local police filled out the information, contacted state police, and officers everywhere added the license number to the "watch for" list. But the "stolen" car did not stay "stolen" for long. Local police told the story this way:

**In Maryland Accident**  
Kifer was in an accident in Maryland, and a local service station was called to tow in the vehicle. The tow truck arrived to find the driver-owner in worse condition than the car. The tow truck operator put the owner, Kifer, carefully in the back seat of his vehicle, lifted the front end of the car with the tow truck and proceeded to Gettysburg.

Arriving here the tow truck driver found that Mr. Kifer was still much in need of sleep, and it being a warm night, left him in the back seat of his car, which by now was parked in the lot at the service station.

**Offers Apologies**  
Kifer later got out of the back seat of his car. As his memory cleared he recalled that he had left his car somewhere, he thought on Carlisle St., and not being able to find it, he thought it had been stolen.

He so reported to police. The telephone went out from Gettysburg; police elsewhere looked in vain; local police spotted the car in the lot, found out the story from the service station attendant; called the state police, who wired the state police in Clearfield, who informed Kifer of the whereabouts of his car. He was here to obtain the car and apologize today.

**PAYS \$10 FINE**  
Nathan Brenner, Baltimore, arrested by borough police this morning at the Meade School while an officer was directing traffic, paid a fine of \$10 and costs to Justice of the Peace John H. Basehore on a charge of making an improper pass.

**CATCHES LARGE BASS**  
Attorney Eugene Hartman, Liberty St., caught a three pound, 18 inch bass in Conewago Creek, near East Berlin, Tuesday.

Richard Hemler Wins First Prize In Football Contest

Richard Hemler, Gettysburg R. 4, won first prize in the first in the series of Gettysburg Times "dope the winner" football contests, based on the results of games played last weekend. The feature game of the week was the contest between Gettysburg and Waynesboro.

"Mr. Lincoln" Will Ride Horseback In Big Parade Here Saturday Afternoon

When Mr. Lincoln, in the person of Ray Middleton, well-known star of stage, screen, radio and television, leaves the Wills House on "the diamond" for the National Cemetery to take part in the re-enactment of the dedication and to deliver The Gettysburg Address on Saturday he will ride a horse, and many of the townspeople and famous personages of that day in 1863 will ride.

But it will not be in automobiles that they will wind their way to the cemetery via Baltimore St. over the route taken by Mr. Lincoln and his party on November 19, 1863. It will be by horse-drawn vehicles.

To obtain such vehicles of authentic type in use in that era was in itself a task of great magnitude for the Western Maryland Railway Co., which is sponsoring the pageant. Arthur Mayberry, in charge of "stage" and "props" for the October 18 presentation, has, however, been "equal to the situation" and has rounded up more than 20 old surreys, gigs, farm wagons, buggies and phaetons.

**Surrey With Fringe**  
LeRoy H. Winebrenner will supply a "surrey with the fringe on top" and a buggy. He will also supply a "runabout" in which "Edward Everett" will ride to the cemetery; a Dunkard buggy and horses and drivers for these vehicles.

Harry Heck, Wolf Hill, will furnish several more horse-drawn vehicles. His old "butcher wagon" will be camouflaged into a "dark room" for Matthew Brady's as (Please Turn to Page 4)

A \$25 donation to the Gettysburg Community Chest was voted. Miss Strohm was in charge of the cultural program concluding the session. Refreshments were served by Rose McIntire, Darlene Kennel and Mrs. Jacqueline Little. The president, Mrs. Phyllis Hess, presided at the meeting.

3 STORES LIST HOUR CHANGES

Three Gettysburg Stores today announced changes in the hours in which they will be open, with the changes beginning this Friday.

The changes are being made to allow additional hours for customers to visit the stores because of the increased difficulty of parking on the usual times when stores are open.

Tobey's, Benn's and Anna Bierer's will be open on Friday evenings in the future, according to announcements made separately by the stores.

Tobey's will be open from 12 noon to 9 p.m. each Monday. Each Friday it will be open from 9 a.m. to 9 p.m. Tuesdays and Wednesdays the store will be open from 9 a.m. to 5 p.m. Saturday the store will be open from 9 a.m. to 6 p.m. and on Thursdays it will be open from 9 a.m. to 12 noon.

Benn's Men's store will be open Friday and Saturday evenings until 9 p.m. It will close at 5 p.m. other days except Thursdays when the store closes at 12 noon. The same schedule will hold for Mrs. Bierer's shop.

WGCT IS HEARD AT GERMAN POST

Sgt. Richard E. Schultz, 25-year-old son of Mr. and Mrs. Lloyd Schultz, Gettysburg R. 3, "really was tickled" when he heard WGCT broadcast at his army post near Stuttgart, Germany, on a "Way Back Home" series of programs provided by the armed forces.

The program originated at WGCT where it was taped and sent to the armed forces. The soldier was given advance notice of the hometowns to be heard on particular evenings so they could arrange to hear the programs of their choice.

The recording that Sgt. Schultz heard included remarks by William Harbaugh at the studio and then switched to Woodlawn restaurant where "Pop" and "Mom" Weigandt talked to the boys in the service and told them about the scrapbook of boys in the armed forces they keep there. "I felt like I was really there at home," Sgt. Schultz wrote his parents later that evening. "It was just like hearing WGCT there."

Chances are the local soldier may hear more WGCT programs before he comes home in December for a number of the tape recordings have been made and forwarded to the armed forces.

Sgt. Schultz recently returned from his army post after an 1,800 mile furlough trip to Paris, up the Ruhr Valley to Brussels, Amsterdam, Cologne and Heidelberg.

The young soldier, who graduated from Gettysburg High School in 1945, also wrote that he is enjoying his copies of The Gettysburg Times that reach him at his army post. He is a veteran of a year of Navy duty in 1945-1946.

WGCT has received word that a number of other local men in the service have heard the recorded broadcasts by WGCT overseas. That list includes Sterling I. Cole in Korea; William Eisenhart in Newfoundland; Russell Norgan in Korea; Donald Lawver of Biglerville in Japan and Paul L. Stonessier of Hanover in Germany.

MRS. H. S. FOX IS DELEGATE TO GUILD SESSION

Mrs. Howard S. Fox, S. Stratton St., was elected an alternate delegate to the quadrennial meeting of the Women's Guild of the Evangelical and Reformed Church to be held next year in Cleveland, O., at the sixth biennial meeting of the Mercersburg Synodical Women's Guild meeting held Tuesday at the Zion Church in York. Mrs. Fox served as chairman of the registration committee for the meeting which was attended by 325 delegates and visitors.

Local officers named during the business session were Mrs. Mark Michael, Fairfield, re-elected first vice president, and Mrs. A. C. Rohrbach, New Oxford, elected secretary.

The theme of the session was "In All Things Thee to See; In All Things Thee to Serve." Nearly 300 persons attended the banquet Tuesday evening at the York YMCA. Henry Tani, Philadelphia, National Youth Director of the Reformed Church, led a youth panel discussion on "Youth in Action." Among the participants was Miss Lois Ehlman, Philadelphia, a former resident of New Oxford, who spent the past summer attending a workshop in Agape, Italy.

Mrs. Fox has served as president of the Women's Guild of the Gettysburg Church for the past ten years and was honored at a recent meeting of the organization by a life membership.

HONOR BISHOP AT ST. JOSEPH'S

Saint Joseph College's Jubilee program honoring the double jubilee of His Excellency, the Most Reverend John M. McNamara, D.D., archbishop of Washington, was held Monday night in de Paul Auditorium. Faculty members of the college and students from the Washington area formed a guard of honor as His Excellency entered the Administration building for the program. Miss Mary Lou Prehn, Washington, D. C., gave the tribute to Bishop McNamara and presented him with a spiritual bouquet on behalf of the Sisters, faculty and students of the college.

"The Virtues of Mother Seton," a modern morality play, written by Mr. and Mrs. Donald J. Walters, and presented by the students was dedicated to the bishop, in commemoration of his double jubilee marking his 50 years in the priesthood and 25 years as a bishop. Bishop McNamara has long been an ardent disciple of the cause of Mother Seton and has encouraged others to "write about, speak about and imitate the exemplary life of the beloved Foundress of St. Joseph College." The play was conceived and executed in compliance with his wish to see a dramatization of "Mother Seton's growth in virtue as she advanced in the way of spiritual perfection."

Mr. Waters, co-author of the play and member of the college faculty, directed the production.

**Wins Regional Pandowdy Title**

Connie Vignera, Camp Hill, a West Shore High School student, was runner-up in the regional event at Gettysburg High School. The Perry County champion, Jennie Comp, the York County titlist, Shirley Hildebrand, and the Berks County champion, Elaine Dries, were the other contestants here Tuesday.

Hostesses for Tuesday's event were Miss Eva Schwartz and Mrs. Bernice Staley.

**Reds Pulled Into Trap And Plastered By Allied Planes**  
The troops took only a short ride. They clambered down cargo nets in full view of the communist shore. Then the landing craft took them around to the other side of their mother ships and the soldiers, in full invasion gear, clambered back aboard.

The landing ships, with only crews aboard, then dashed toward the beach — but pulled up 4,000 yards from shore and returned to the huge fleet.

The operation was the culmination of months of realistic training and planning. There was no plan to land but the operation was completely realistic in every way.

The mock forces gathered off Kolo, south of the Red port of Wonsan and 33 miles north of the battle line on the east coast.

The sight of the great, gray fleet must have given the Reds the jitters.

**Reds Are Trapped**  
One purpose of the mock invasion — dubbed "Operation Trojan Horse" — was to draw the Reds toward the coast so air power could strike them.

Three days before, allied ships and warplanes had moved in to soften the Kolo area, exactly as in a real pre-landing bombardment. The Reds returned the fire. Meanwhile, the troops practiced landings at Kangung to the south in full view of friendly South Koreans.

Word of an impending "invasion" was purposely allowed to leak out. The Reds would start moving troops to Kolo, making them good air targets, when the fleet hove in sight.

**FIRE POLICE TO MEET**  
The regular meeting of the Adams County Fire Police Association will be held next Monday night at the Centennial fire hall, President Charles W. Culp Jr. said today. The meeting had originally been scheduled for Monday night but was postponed because of the Adams County Firemen's Association meeting.

550 WILL BE GUESTS ABOARD SPECIAL TRAIN HERE SATURDAY

The Gettysburg Times will publish a complete list of the cast taking part in the Western Maryland Railway Co.'s pageant Saturday afternoon in its Thursday's edition.

A special train of a dozen coaches and two parlor cars will leave Baltimore at 9:30 a.m. Saturday morning to bring several hundred railroad officials, members of the Interstate Commerce Commission, and other federal and state government dignitaries and lesser lights to Gettysburg for the pageant. "Mr. Lincoln Goes to Gettysburg." As of today, 550 persons had accepted Western Maryland invitations to be guests aboard the train.

The train is scheduled to arrive at Camp Siding, about one mile east of Gettysburg, paralleling the Lincoln Highway, at noon. Tents are being erected and luncheon will be served to the train passengers. The train will pull into the old Western Maryland Station, Carlisle St., at 1:15 p.m. to disembark its visitors, who will line the street in the vicinity of the station to watch the first episode of the historical re-enactment, as "Mr. Lincoln" alights from the 1863 train, due at the station at 1:40 p.m.

**1,200 At Lunch**  
The Western Maryland, according to its public relations department, also expects to entertain between 1,000 and 1,200 other visitors and dignitaries, who will come to Gettysburg, by automobile, at a buffet luncheon in the Eddie Plank Gymnasium at Gettysburg College.

Between 20 and 25 buses, the railway says, will be used to (Please Turn to Page 6)

Reds Pulled Into Trap And Plastered By Allied Planes

By STAN CARTER  
WITH U. S. JOINT AMPHIBIOUS KOREA (AP)—The Army, Navy and Air Force combined today to stage a mock invasion of Communist Northeast Korea and drew thousands of Red troops out into the open where they were plastered by Allied warplanes.

Nearly 100 ships including a battleship, six aircraft carriers and four cruisers — the greatest concentration of U. N. naval vessels since the Inchon landing in 1950 — participated. So did thousands of well trained American troops.

Allied warplanes strafed and bombed the beaches.

## Yankees Wage Savage Battle With Foe On Triangle Hill

By GEORGE A. MCARTHUR  
SEOUL (AP)—American infantrymen smashed over the top of Triangle Hill on Korea's Central Front today and fought a savage inch-by-inch battle down the northern slope, two miles to the east, more than 1,000 Reds counter-attacked troops of the South Korean Second Division on Sniper Ridge.

AP correspondent Milo Farneti said U. S. Seventh Division infantrymen on Triangle were pushing single-file down a Communist trench leading to towering Papsan Mountain, immediately to the north.

A front-line officer said they were "fighting for every inch" against fiercely resisting Chinese Reds.

**Hoist Food To Men**  
A hastily-erected cable hoist sped food and ammunition to the top of Triangle where other Seventh Division soldiers dug in against an expected Chinese counterattack.

The Reds lashed out at South Korean soldiers on Sniper Ridge just after dusk. The South Koreans met their charge with withering machine gun fire from the caves and bunkers of Pinpoint Hill, the central peak in the hill mass.

A late report from the front said close-quarter fighting swirled around the ridgeline.

The South Koreans seized Pinpoint earlier today with flame throwers and hand grenades.

U. S. officers with the South Koreans said many of the dead Chinese found on Pinpoint had committed suicide.

**Driven From Mountain**  
Seventeen miles to the west, South Korean 9th Division troops blasted the Reds with high explosives from their last hold on blood-soaked White Horse Mountain.

Just east of Triangle, other South Koreans jumped off in a renewed assault against Sniper Ridge.

The brunt of the Korean fighting shifted from White Horse in the West to the Central Front.

Battle-hardened veterans of the 7th Division's 31st Regiment stormed back to the top of Triangle just before noon.

Allied warplanes pounded the Reds with bombs, rockets and flaming gasoline.

Except for White Horse and Triangle, action was relatively light across the 155-mile battlefield.

The Reds hurled eight light probing attacks at U. N. positions on Finger Ridge, west of the Pukhan River. All were repulsed.

B26 bombers flew through heavy clouds last night in continued attacks on Communist supply lines. Pilots reported 35 trucks destroyed.

Nine B29 Superforts dropped nearly 100 tons of high explosives last night at four troop and supply centers near Wonsan, on the North-east Korean Coast.

The Far East Air Forces said Allied planes flew well over 1,000 combat sorties yesterday — the third straight day U. N. planes have passed that mark.

## Attends Preview Of 1953 Chrysler Cars

Glenn L. Bream, president of Gettysburg Motors, 6 York St., has returned from Philadelphia where he attended one of a series of twenty-five nationwide meetings being held by Chrysler Division of Chrysler Corporation to preview the 1953 Chrysler.

## U. S. SEEKING FULL SHARE OF NUCLEAR GOODS

ABERDEN PROVING GROUND, Md., (AP)—Secretary Frank Pace, in an unveiling ceremony today for the first atomic artillery gun, said the Army is seeking to have a "proper share" of nuclear materials earmarked for its use.

Pace set forth the Army's claim to allotment of fissionable material in an address prepared for delivery at a demonstration of the 280-millimeter all-purpose gun and three of the latest model tanks. The Army secretary said:

"The Army believes strongly in the concept and doctrine underlying the application of atomic energy to the battlefield. We have, therefore, exerted strong efforts to insure that a proper share of our national stockpile of fissionable materials is fabricated and earmarked for such use."

**May Have Ammo**  
The phrasing used by Pace left open the question of whether the Army actually has any atomic ammunition to use in the big, mobile weapon. Blueprints drawn in 1944 envisioned it as a general purpose gun for firing conventional projectiles, but the design was changed in 1949 to provide also for use of nuclear fission shells.

Pace's remark about exerting strong efforts to get allocation of material to the Army also suggested that the Atomic Energy Commission had to be persuaded.

Details of the new gun became known two weeks ago when reporters and photographers saw it maneuver and fire in demonstrations here. Invited to today's ceremony were members of Congress and officials of the several companies that collaborated in development and manufacture of the gun.

home to take care of "overnight guests." The present case is an elderly man who was found ill, by state police along a road. Following custom, the aged man was accepted at the home, without formal admission, until he recovered from his illness.

Now, however, the commissioners are faced with the problem of what to do with him. He has no apparent residence. The commissioners decided this morning to allow him to remain for a time without formal admission with the hope that possibly some relatives can be found to give him a permanent residence or a home somewhere.

**Dry Cleaner Truck**  
Upsets; Driver Unhurt  
A truck owned by Eddie's Cleaners, Littlestown and Gettysburg, overturned on the Littlestown Rd. early this morning, but its driver, Woodrow Bowman, Littlestown, was uninjured.

A company spokesman said the truck was traveling toward Littlestown, and an automobile and another truck were traveling toward Gettysburg. The automobile apparently did not see the Littlestown-bound vehicle in the fog, and turned out to pass the other truck in front of it.

Bowman's truck broke off a telephone pole and three guard rail posts before turning over. Damage to the truck was estimated at \$1,000.

**Pays \$10 Fine; 2nd Charge Is Withdrawn**  
John Carnell, Taneytown R. 1, arrested on complaint of Murray O. Fuss, same address, on disorderly conduct and assault with an automobile charges, pleaded guilty before Justice of the Peace John H. Baschore this morning to the first charge, and was fined \$10 and costs.

Fuss withdrew the assault charge and paid the costs. He had charged that he and Carnell were "involved in an argument on Breckenridge St. Saturday night, and Carnell had tried to run him down with his automobile."

**SUFFERS HEART ATTACK**  
William Chritzman, Chambersburg St. Jeweler, was stricken with a heart attack in York Tuesday afternoon while driving his automobile. He stopped at a gasoline service station, and was taken by a service station attendant to the York General Hospital, where his condition was reported as satisfactory today. It may be several days before the seriousness of his condition can be determined, physicians told members of his family.

## MICHIGAN STATE IS TOP GROUND GAINER IN U. S.

NEW YORK (AP)—It follows as a matter of course that the No. 1 college football team in the country should have the No. 1 offense.

That, at least, was the situation today when latest statistics of the National Collegiate Athletic Bureau showed that Michigan State, top-ranked in the Associated Press poll, is leading all other major college teams in advancing the ball.

The Spartans broke loose with 592 yards in walloping Texas A & M last Saturday, 48-6, to wrest the offensive team lead from Tulsa, which fell to 12th after a mediocre day against Houston.

Much Of It By Air  
Most of the Spartans' yardage, totaling 1,396 for three games, has been picked up through the air, leaving California the honor of being the sport's most effective ground-gaining unit so far this season.

The Golden Bears, third-ranked in the latest AP poll, have piled up a commanding average of 381.3 yards a game in their four victories to lead rushing statistics. They have virtually ignored the overhead game.

Other Top Teams  
California ranks second to Michigan State in the total offense standings, averaging 459 yards a game to 465.3 for the Spartans. San Jose State, with 455.5, and Arizona, with 417.8, follow. Wisconsin is fifth with an average of 415 yards per game.

Michigan State, averaging 221.7 yards a game on passing, is second in that department to Fordham, the country's air offense leader with an average of 265 yards a game.

Nebraska, which last week lost the services of 1950 All-America Bobby Reynolds, is second to California in rushing with a 320-yard average. Then come San Jose State, Arizona State at Tempe and Oklahoma.

## NATALE LIKELY TO FACE LEHIGH

Gettysburg College, after having its seven-game winning streak stopped by the Albion Lions, will attempt to jump back into the win column Saturday. The Bulldogs travel to Bethlehem where they renew their long series with Lehigh University. The Battlefields, who have beaten the Engineers eight times while losing nine contests, hope to avenge last season's 9-7 defeat.

Coach Johnny Yovics hopes to have the Bulldogs at top strength for the Lehigh tussle. It is expected that Tony Natale, Gettysburg's leading ground gainer in 1951, will return to action. The Harrisburg cat back was injured on his very first carry in the season opener at Delaware. A sure starter in the Gettysburg backfield will be Joe Ujot, a Phoenixville, who was Philadelphia's Maxwell Award winner as player of the week.

Bullet hopes for starting a new win streak have been lifted by the fine play of fullback Bob Eppelman, Gloucester, N. J., and halfback Earl Yost, Williamsport. Eppelman has picked up 221 yards in 23 carries to pace the Orange and Blue in that department. Yost on the other hand has been a standout on both offense and defense. He ranks second in ground gaining with 127 yards in 13 tries, including two touchdowns, plus topping all teammates in pass interceptions.

## Predicts Open Game With Penn State

LINCOLN, Neb. (AP)—Bill Glassford, football coach at Nebraska University, predicts a wide open, high scoring game Saturday when his Cornhuskers meet Penn State at State College, Pa.

The Nebraska squad, with two exceptions, is up and ready to meet their Eastern opponents. Glassford said yesterday while putting his team through all phases of the game at a practice session.

A shoulder injury makes it doubtful whether guard Jerry Paulson will be available Saturday, and Bob Reynolds, star halfback, is apparently out for the season with an earlier injury.

## INDIANS CALL TWO

CLEVELAND (AP)—The Cleveland Indians announced yesterday they plan to send two players from the Eastern League farm club at Reading to their training camp at Tucson, Ariz., next spring.

The players are outfielder Mike Lutz and second baseman Stan Pawlowski.

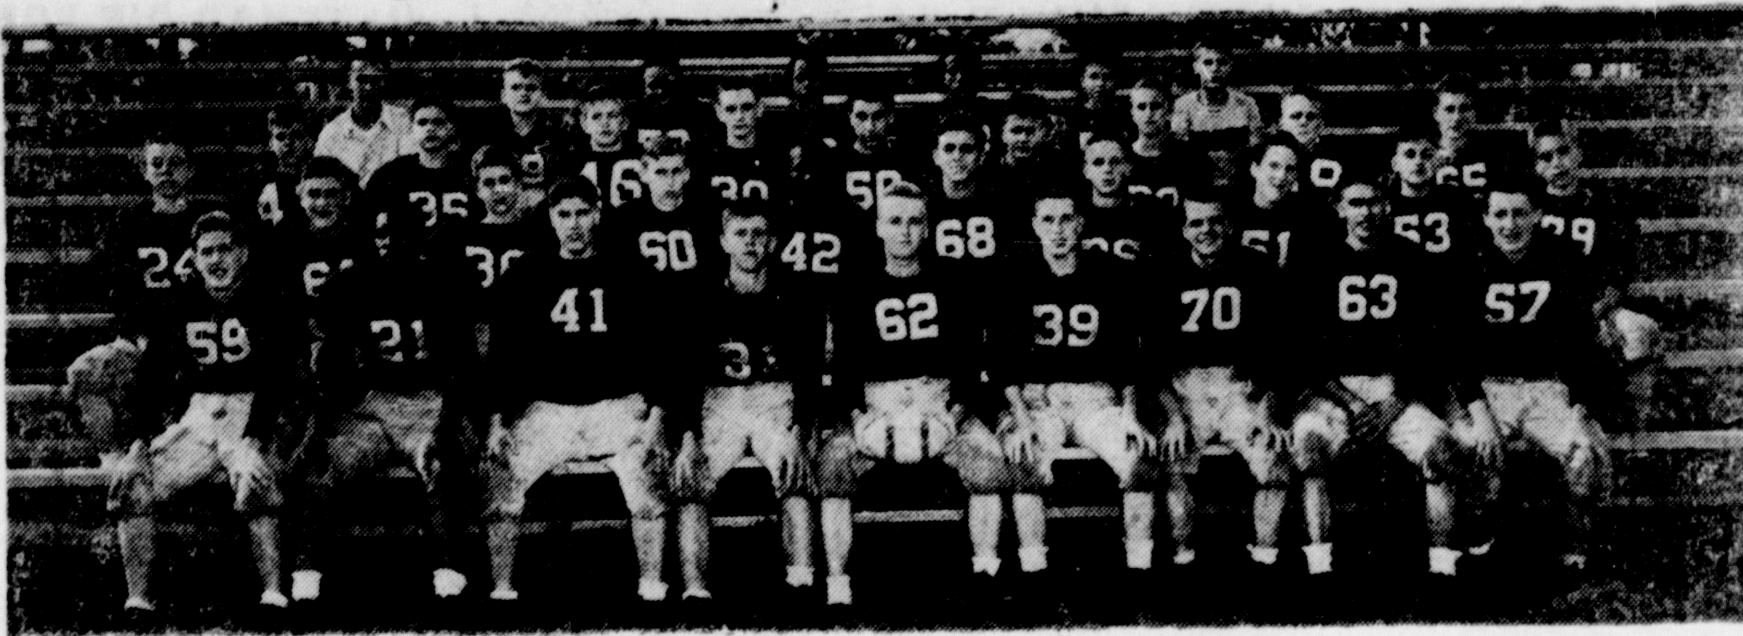

Lutz, 25, of Lea Pittsburg, O., led the Class A Eastern League with a .321 batting average while Pawlowski, 21, of Wanamie, Pa., turned in an average of .272.

CAMDEN, N. J.—La Corredora (\$3.60) took the Vineland Trial at Garden State Park.

## Junior High Host To Hershey Thursday At 2 P.M.

The above Gettysburg Junior High School football squad, one of the most promising in years, will seek its third straight victory Thursday afternoon when the strong Hershey Junior High gridders will be met on the local gridiron.

The kickoff will be at 2 o'clock, that hour being selected in order to give Junior High students who ordinarily must leave at 3:30 o'clock on buses a chance to witness a game. Senior High students will not be released from classes. Gates will open at 1:30 o'clock. The admission will be 40 cents for adults and 25 cents for children. Officials for the game will include Pete Carter, York; Richard Shover, Harrisburg; and Boyd Fortney, Mechanicsburg.

Coach Rogers Herr's team has been impressive in blanking Delone 20-0 and Bolling Springs 27-0 in the first two games of the campaign. However, Hershey is reputedly very strong and undoubtedly will be a stiff opponent for the Warriors.

Appearing above are: Lower row, left to right, Fred Furney, Joe Dearing, Marlin Kroushour, Sam Stanley, Don Smith, David Weaver, Richard Stough, Merle Gorman, Bob Bonduant.

Second row, Don Cook, Bill Scott, Peter Pennington, Russell Potter, Joe Tomsel, Joe Fox, Dale Bieseker, Bill Woods, Roland Keller, Rolf Johnson.

Third row, Glenn Sprecher, Ronald Little, Glenn Weishaar, John Coleman, Roy Plank, Robert Hess, Earl Little, Jack Crist, Rex Baltzley.

Fourth row, Fred Snyder, manager, David Weimer, Jess Thompson, Charles Washington, Edward Thomas, Richard Pyle and Richard Little, manager.

## BUCKY HARRIS SIGNED AGAIN FOR SENATORS

NEW YORK (AP)—Managerial heads rolled at an alarming rate during the 1952 major league baseball season but the survivors are all set for 1953, many with juicy contracts that extend beyond the next campaign.

The signing of Bucky Harris to a two-year contract by the Washington Senators yesterday just completed the picture for 1953.

Brooklyn and Pittsburgh are the only big league teams that have not signed pilots for the coming season. In the Dodgers' case, however, it's just a question of time since Chuck Dressen, who led the Brooks to the National League pennant, is a cinch to be back.

Harris Gets \$25,000

The Pirates are seeking a replacement for Bill Meyer, who resigned on the next to the last day of the season. Meyer was the sixth manager to leave his club in 1952 for one reason or another.

Harris' signing came hard on the heels of the inkling of a two-year pact by Casey Stengel of the world champion New York Yankees. With bonuses, Old Case could make \$100,000 per year.

Bucky settled for considerably less, reportedly \$25,000, a ten grand hike over his salary for the past three years.

## N. C. TO MEET WAKE FOREST

CHAPEL HILL, N. C. (AP)—The University of North Carolina, which cancelled two football games because of a polio outbreak here, returns to action Saturday against Wake Forest in a renewal of one of Dixie's oldest gridiron series.

For more than two weeks, all intramural athletics at the university were halted as a safeguard against the spread of polio. Games with Georgia and North Carolina State were cancelled. The action came on Oct. 2 when five students, including two football players, fell victim to the disease.

Efforts are being made to arrange another game with State College on Dec. 6.

The polio situation showed improvement and university officials lifted the quarantine Monday. Two of the students have been released from the hospital and the other three are not expected to have any after effects from the disease. The players who became ill were Harold Davidson, highly regarded fullback, and Sam Aneers, freshman guard. Davidson is one of those released, but it is doubtful if he will play more this season.

## Bucknell Bison Head For Buffalo

LEWISBURG, Pa. (AP)—Bucknell's Bisons, possessors of the longest winning streak in the East—16 games—prepared today for their first daylight game of the year Saturday at Buffalo.

Statistics showed today that halfback Brad Myers, of Lancaster, who romped 188 yards against Temple's Owls last Friday, has taken over leadership for ground gaining at Bucknell. Myers has run up a total of 449 yards in three games.

Burt Talmage, his running mate, has gained 398 yards in 38 tries for an average of 10.5.

The 1950 U. S. census showed 1,430,000 more females than males in the population, the first time in history that women had outnumbered men in the nation.

## Reynolds, Wilhelm Leading Pitchers

NEW YORK (AP)—Veteran Allie Reynolds of the New York Yankees and Rookie Hoyt Wilhelm of the New York Giants, a pair of sturdy pitching stalwarts, are the 1952 major league earned run leaders.

Reynolds, in his 11th season in the majors, topped the American League hurlers with a dazzling 2.07 ERA. Wilhelm, a relief specialist, paced the National League in earned run effectiveness with an impressive 2.43 mark.

Final statistics compiled by the Associated Press disclose that Reynolds allowed 56 earned runs in 244 innings. Wilhelm was solved for 43 untainted tallies in 159 frames.

Cleveland's Mike Garcia, 2.40, and Bob Lemon, 2.47, finished behind Reynolds in the American League ratings. Warren Hacker of the Chicago Cubs was runnerup in the National League with a 2.58 average, followed by the Philadelphia Phils' Robin Roberts at 2.62.

## JIMMY CARTER TRIES TO REGAIN CROWN TONIGHT

CHICAGO (AP)—Jimmy Carter, lightning-listed New York Negro, hopes to repeat the feat of another lightweight of a dozen years ago and recapture the 135-pound crown from Lauro Salas tonight.

Carter will try to emulate Lou Ambers, who lost the title to Henry Armstrong in 1938 and won it back the next year.

No other lightweight has ever done it.

The scrap promises to sizzle from start to finish and run a full 15 rounds.

## To Be On TV

Only 5,000 or so customers are expected at ringside, which would be the smallest turnout for a title bout ever promoted by the International Boxing Club. The Chicago Stadium attraction will be televised and broadcast nationally starting at 10 p.m., EST.

Each fighter will receive nearly \$10,000 as his share of television receipts. This sum should far overshadow their 30-30 split of a gate not expected to exceed \$25,000.

A big Latin following will be on hand to cheer the 24-year-old champion. The confident little mauler from Los Angeles via Monterrey is boxing's first bona fide Mexican titleholder.

It's Carter 2 to 1

While compiling a record of 45 victories, 20 losses and six draws, Salas has never been knocked out. Usually a slow starter, he opens up with explosive flurries at the close of each round. He is a hard-shooter, somewhat wild, and has scored 18 knockouts.

Carter rules a 2-1 favorite. He has kayoed 21 foes in winning 58 fights, losing 13 and drawing one. Like Salas, he has never been flattened.

## BUBBLERS HOST TO SUSQUEHANNA THURSDAY NIGHT

The Bolling Springs High School football team will go after its 22nd consecutive win without a defeat, when it meets the Susquehanna Joint High School team on Thursday evening, on the Bolling Springs field at 8 o'clock.

The "Bubblers," under Coach Bud Ecker, have won 21 straight games. Last Saturday they played a scoreless tie with New Cumberland to keep their unbeaten string intact. Both New Cumberland and Bolling Springs were undefeated going into Saturday's game, and one of the hardest played games in years was fought between these two gridiron foes.

In Thursday's game the "Bubblers" will face an opponent that has always given them stiff opposition.

Last year, Duncannon High played an excellent game against the undefeated Bubblers before going down to defeat. The year before, when the "Bubblers" were winning the Twin Valley League championship, they defeated the Cannons by a 9 to 7 score. The games have always been close and hard fought. This year should be no exception as Nick Piccolo always turns out a hard fighting ball club. With the Duncannon and Marysville schools forming a jointure this year, to form Susquehanna Joint High School, Coach Piccolo is blessed with 23 lettermen, as both Duncannon and Marysville had many lettermen returning this year. Coach Piccolo was hurt with injuries and practice difficulties at first, but he believes that his team is about ready to reach the heights which he predicted before the year started.

Parents' Night will be observed on Thursday night with the parents of the members of the varsity football team being guests of the school. Pennsylvania Sports Night will also be observed, with special half-time ceremonies.

A large crowd is expected.

Several Adams Countians won awards in the Chambersburg Saddle Club's horse show staged Sunday.

Wilson Clapsaddle, Arendtsville, riding Golden Lady, took fourth place in the pleasure horse class; Nancy Jean, Dan and Sandra Wolf, Gettysburg, were third in the family class, and Miss Peggy Long, Gettysburg, riding Jubie, was sixth in horsemanship (12 to 19 years).

## Navy Recruiter To Visit High Schools

Lt. Cdr. Spencer W. Ravel, USNR, of the Office of Naval Officer Procurement, Philadelphia, will visit the Hanover High School at 9 a.m.; Delone Catholic High at McSherrystown at 11 a.m.; Littlestown High at 1 p.m.; Gettysburg High at 2:15 p.m. on October 22 to explain the Naval Reserve Officers Training Corps program to interested high school boys.

There are 1800 college scholarships available in the Naval Reserve Officers Training Corps for the class entering in the fall of 1953. These scholarships include tuition, books, fees, equipment, uniforms, plus \$600 per year retainer pay. Training in the NROTC leads to a commission in the Regular Navy or Marine Corps. After a period of obligated service, officers commissioned from the NROTC may request retention as career officers or transfer to the Reserve.

Lt. Cdr. Ravel was recently recalled to active duty from the Naval Reserve at Buffalo, New York. During World War II he served many months as commanding officer of the USS LST 522, an amphibious landing ship, as well as having seen duty with the Seabees. For the last ten years he held the position of principal of Hamburg High School at Hamburg, New York, where he also acted in the capacity of head football and basketball coach.

## PIRATE, BROWNS GET REBUILDING WORK UNDERWAY

NEW YORK (AP)—The Pittsburgh Pirates and St. Louis Browns, confronted with a gigantic rebuilding job, are wasting no time in getting their reconstruction program rolling.

Pittsburgh, a sorry last this season, and St. Louis, marooned in seventh place, highlighted a busy major league bartering session yesterday which chiefly involved minor league clubs.

The Pirates pulled off the only "real" trade of the day. The Bucs shipped Gus Bell, 23-year-old longball-hitting outfielder to the Cincinnati Reds for three players.

## Veck Gets Hunter

Bill Veck, major domo of the Browns, lured shortstop Bill Hunter, hailed as one of the best prospects in the minors, from the Brooklyn Dodger organization in what he called a \$150,000 deal. The Browns turned over a bundle of cash and three players.

The St. Louis Cardinals, Boston Red Sox and Cleveland Indians brought up a number of players from their minor league affiliates in "paper" transactions while the Philadelphia Athletics purchased righthander John Mackinnon, a former New York Yankee farmhand, from Birmingham of the Southern Association.

Others Involved  
Bell, reportedly in the doghouse with the powers that be at Pittsburgh for lack of hustle, batted only 246 for the Pirates in 131 games.

To get Bell, the Reds shipped catcher Joe Rossi, a .221 hitter, and outfielders Cal Abrams and Gail Henley to the Pirates. Henley was obtained by the Reds Monday from the New York Giants for pitcher Frank Miller. Abrams, who started the season with Brooklyn, batted .278 while Henley hit .273 for the Reds' Tulsa club of the Texas League.

The Pirates also added two players from the minors and dropped two. Catcher Bill Hall was called up from Pittsburgh's Charleston club of the South Atlantic League and Charley Sipple, once with the Philadelphia Phillies, was procured from Indianapolis of the American Association.

Pittsburgh disposed of two pitchers, dispatching righthander Don Carlsen to Charleston and lefthander Len Yochim to New Orleans of the Southern Association.

## Bubblers Defeat Canner Reserves

The Biglerville High School junior varsity football team dropped a 7-6 verdict to Bolling Springs Tuesday evening at Biglerville.

After the Bubblers had scored in the first period on a sustained march, the Canners came back in the final period for a tally.

Wayne Guise fired a long pass to Tom Arnold to set the stage for Bill Decker to score on a quarterback sneak. Decker's placement for the point was blocked and provided Bolling Springs with its margin for victory.

Next Wednesday Biglerville plays at Carlisle.

## Littlestown

## NEW CHURCH IS ORGANIZED IN LITTLESTOWN

Organization of the Christian Fellowship Tabernacle, located in Crouse Park, took place on Sunday morning following the communion services. The church was begun in Littlestown by the Rev. R. R. Kunkle and is operated as an independent church. The Rev. W. B. It was announced that the Southern Methodist Church continues to preach the old John Wesley doctrines. The Rev. Mr. Kunkle will continue as pastor for the present. He is also superintendent of all churches in the north and mid-south area. According to the Rev. The Rev. Mr. Koons presented an inspirational address challenging the laymen of the church to greatly endeavor to increase the number of worshippers. The organization president, Fred W. King, announced that progress is being made toward the lay visitation program, which the Brotherhood assumed and which requires the increasing of church membership. At the conclusion of the business, refreshments were served to the group by the com-

mittee composed of David Erb, Oliver Erb and James Duttera. The program was arranged by Wilbur E. Mackley and Kenneth Miller. The next meeting of the Brotherhood will be held Monday, November 10, 7:30 p.m. at the church, when the program will be in charge of Lester Myers and Walter C. Myers. **Firemen Clear \$1,028 At Picnic:**  
The Adams County Firemen's Association netted \$1,028 on its picnic and convention, held at New Oxford on Labor Day, a report of the committee in charge of the affair shows. According to the report, \$496 was netted on the picnic and \$530 on the advertising in the program booklet. The report was made at the quarterly meeting held at New Oxford, Monday evening.

Members of the Gettysburg Council, Knights of Columbus, paid tribute to the memory of Christopher Columbus, and observed the 455th anniversary of his discovery of America, at fitting exercises in the K. of C. Hall, Baltimore St., Wednesday evening.

Until her marriage the bride had been teaching in the Chestnut Hill School, near Heidlersburg. The groom is employed in the production department of the C. H. Muselman Company, Biglerville. After the marriage the newlyweds took an air trip over the battlefield in one of the planes of the Gettysburg Airport. When they were about ready to land and Lieutenant George was volplaning down, the motor of the plane stopped and a forced landing was made in a field along the Mummasburg road.

**Teach Children To Read Classics:** "Give the child reading matter that will appeal to the heart as well as to the intellect and the character of the child will take care of itself," Dr. Thomas L. ## Today's Talk

THIS EVER BEAUTIFUL EARTH

I have lived a comparatively long time. As a boy I loved all flowers, birds and animals. Their wonder to me then is my wonder now. I am constantly learning something new about them all. No wonder people like to read the writings of Charles Lamb. Here is a sentence I came across in my reading of him: "I am in love with this green earth; the face of town and country; the unspeakable rural solitudes; and the sweet security of streets."

People who love the beauties and wonders of this earth of ours are safe ones to take to your heart and companion with throughout life. Vachel Lindsay said: "Fair streets are better than silver. Green parks are better than gold." Lindsay loved the hills, the villages, flowers, the open road, but most of all the people who loved these things with him. Every season thrills me. Each has its special appeal, but there is something royal and inspiring about the autumn that is now upon us. Its mellow winds and sunny days, its drooping flowers that have spent their beauty, the colorful countryside, and the final songs of joy as the birds gather and leave for their winter change of residence. It's the celebration time of the full year.

In glorious October there is hurrying all about by those who have contributed their special joy to the joy of earth. The last leaves fall in silent and colorful groups to the good and friendly soil that later mix with the chemicals of the earth to nourish future springtimes and to give new life to other autumns. Nothing is so wonderful as the ripened grains and fruits of autumn, earth's contribution to man's happiness.

How many are the times that we have abused our privileges as God's guests upon this beautiful earth! What great areas of it we have despoiled — for mere gain and tragic wars. How wanton has been the slaughtering of many of its peaceful inhabitants, its birds and animals. George Gissing gloried in the return of each springtime and wondered how many more he would be invited to enjoy. They were all too few to him — and too few to any of us, regardless of the number allotted to us. Let's keep feasting upon this earth's beauty, increasingly each day!

Tomorrow Mr. Adams will talk on the subject: "On Harboring Hate."

## Just Folks

**MAN'S DUAL ROLE**  
Two sides there are to life, and one material success requires. The other is dependent on The spirit and its high desires.

The will to serve, the will to aid. In every worthy cause to share. By these the spirit is displayed And what for others it will bear.

Material success alone Is not enough, as oft we see. By that ability is shown But able men can selfish be.

True greatness more than that demands From rich and poor it also needs The gracious minds and willing hands To do the unrewarded deeds.

## IKE REVEALS GROSS INCOME OF \$888,303 IN LAST 10 YEARS

NEW YORK (AP)—Gen. Dwight D. Eisenhower had a gross income of \$888,303—including \$635,000 from his book, "Crusade in Europe"—during the past 10 years, his headquarters says.

A financial statement made public here late yesterday showed the Republican presidential candidate paid \$217,062 in taxes.

Subtraction of these taxes and allowable deductions from the gross income, the statement said, left Eisenhower with a net of \$643,148 for the 10 years. His net without the book was \$166,898.

**Followed Stevenson**  
Eisenhower's revelation followed a similar financial statement last month by his Democratic opponent, Gov. Adlai E. Stevenson.

Stevenson listed his gross income for the last 10 years as \$500,046 and his taxes as \$211,980, leaving him \$288,066.

The Republican candidate's financial statement was released here by his executive assistant, Arthur Vandenberg Jr. Eisenhower currently is campaigning in the South.

Vandenberg also gave out a letter he received from Eisenhower authorizing release of the financial data. The general said in the letter:

**Private Citizen Now**  
"I am now, in every sense of the word, a private citizen, and without income except from investments."

Vandenberg distributed copies of correspondence Eisenhower had with U. S. Treasury officials in 1947 and 1948. This correspondence resulted in an agreement whereby Eisenhower qualified as a non-professional writer and was allowed to list income from the book as a capital gain.

If Eisenhower had paid at the personal income tax rate rather than the capital gains rate, his tax on the proceeds from the book might possibly have been more than double the \$158,750 he paid. His net in the book was \$476,250.

## PARTIES PUSH CAMPAIGNS IN FINAL STAGES

By The Associated Press

Clear indication the campaign was entering the shoot-the-works stage—was today's stepped-up political schedule. The campaign trails of candidates and their major supporters criss-crossed the nation like a spider web.

Gov. Adlai Stevenson, the Democratic presidential nominee, speaks at Spokane, Wash., Pendleton, Ore., and San Francisco and then heads south. His Republican opponent, Gen. Dwight D. Eisenhower, moves north through Texas, Louisiana, Tennessee, West Virginia and on to New York.

Sen. John J. Sparkman, the Democratic vice presidential nominee, speaks at Buffalo, N. Y., and Uniontown, Pa., while Sen. Richard Nixon, his GOP counterpart, campaigns in Michigan.

**Truman And Taft**  
President Truman, the self-styled "key" to the presidential campaign, takes off on another whistle-stop tour, this time through New England, and Vice President Alben Barkley launches an 11-state campaign for the ticket with speeches in Minneapolis and Milwaukee.

Vigorously stumping for the Republican ticket were Sen. Robert A. Taft in Logan and Salt Lake City, Utah, and Gov. Earl Warren of California in Rapid City and Aberdeen, S. D.

Equally active for the Democrats were Sen. Estes Kefauver of Tennessee, appearing today at Martin's Ferry and Cadiz, O., and Sen. Robert Kerr of Oklahoma speaking at Waco, Tex.

President Truman fired up his campaign special train again for a three-day speaking foray into politically critical New York and New England. The new trip calls for 12 speeches a day in New York, Connecticut, Massachusetts, New Hampshire and Rhode Island—mostly in industrial areas where a strong bid will be made for the labor vote.

HARRISBURG (AP)—Freezing temperatures in many sections of Pennsylvania killed tender vegetation during the past week, the State Agriculture Department said today.

A federal-state weather and crop survey showed that northern and western areas were particularly hard hit by the below-normal temperatures. The mercury averaged nine degrees below normal.

Considerable damage to tomatoes was reported although tobacco was brought in without damage and the crop was said to be curing well. The lowest temperature for the week ending yesterday was 20 degrees at Phillipsburg.

**Rain Above Normal**  
Rainfall was slightly above normal with moisture supplies generally adequate except in a few west-central counties.

The rainy weather slowed harvesting of corn but fair progress was made, the report said, adding that wheat in most northern and central counties has a good start with planting continuing in southern and central areas.

Picking of late apples advanced with production much below last year and the 10-year average. A good crop of fall spinach is being harvested.

## SAYS IKE KNOWS WAR CANNOT BE ENDED BY TRICK

By JACK BELL

SPOKANE, Wash. (AP)—Gov. Adlai E. Stevenson said today that Gen. Dwight D. Eisenhower knows full well "there is no trick that can end the Korean War."

The Democratic presidential nominee, encouraged by reports of mounting strength in Utah—if not Wyoming—pushed his campaign to the Pacific Northwest with a sharp attack on his Republican opponent's stand on Korea, foreign policy and public power development.

Saying that Eisenhower has implied "that we could bring our men home from Korea soon if we would only train some South Korean soldiers to take their places," Stevenson declared in a speech prepared for a street-corner rally:

## When Safety Permits

"I will not play politics with war and peace. Our men are fighting in Korea so they will not have to fight in Alaska or Spokane or Omaha."

"They will come home from Korea just as soon as our national safety permits. And, for my part, I deplore the suggestion that they come home any sooner."

"There is no trick that can end the Korean War—and I am sure the general knows this full well."

As he had in Wyoming and Utah yesterday, the Illinois governor preached the Democratic doctrine that Americans never had it so good, in a material way.

## Clean, Honest, Economical

He added to this the promise, in a speech prepared for delivery in Pendleton, Ore., later in the afternoon, that if he is elected "I intend to run a clean, honest government."

"What is more," he said, "I know what I am talking about. I have cleaned up a lot of evil Republican practices in Illinois and cracked down quickly and ruthlessly on misconduct wherever I have found it."

The Illinois governor said that if he is elected, he will run an economical government. He said he knew about that too.

"I have run a tight-fisted, balanced budget government in Illinois—and I had to do it, incidentally, without much help from a Republican Legislature," he declared, adding:

## Quick Revision

"When it comes to economy in government, I will gladly weigh the experience and training of a governor any day alongside that of any military man. Until this campaign, I had not heard that generals were exactly celebrated for their devotion to economy."

In Salt Lake City's jam-packed Mormon Tabernacle last night, Stevenson made a quick revision in his prepared text when he sensed the temper of the crowd—deleting in particular a blast at Eisenhower for his assertion that American prosperity is built on war orders to industry.

He seemed to have picked up the crowd and carried it with him, which he apparently failed to do in an earlier appearance at Casper, Wyo.

## BLASTS TRUMAN IN TEXAS BID FOR VOTES IN SOUTH

By DON WHITEHEAD

EN ROUTE WITH EISENHOWER—Gen. Dwight D. Eisenhower strove mightily today to smash the Democratic hold on the Solid South while holding out a promise of leadership which would provide a firm base on which to build lasting world peace.

For the second straight day he rampaged through his home state of Texas blasting at the Truman administration with scorn and sarcasm.

His accusation was the clear implication at least that the Truman leadership had failed to win the respect of America's allies and even the Kremlin. And he said these were necessary if peace is to be won.

## Rousing Receptions

Warned by a series of rousing birthday receptions yesterday—his 62nd birthday—the general aimed his fire on Ft. Worth and Dallas today. Then he will fly into Tennessee for speeches at Memphis and Knoxville before returning to New York.

He chose the Alamo in San Antonio—the birthplace of Texas independence from Mexico—to outline his views last night on how best to achieve peace.

But before he spoke, Texas Gov. Allan Shivers called him the candidate who stands for the Democratic principles that Texans respect.

## Not An Easy Decision

Shivers said there were many Texans who never before had voted for a candidate "who wore any other mantle but that of the Democratic party."

He said: "Our decision to depart from tradition has not been an easy one. It had to be based on issues and concepts more fundamental than party regularity. It had to be strong enough to overcome the accumulated prejudices of many decades..."

Then he added his belief that Eisenhower rather than Democratic presidential nominee Adlai Stevenson could best capitalize on social

## My Daze

CHIT-CHAT . . . Columbus Day having just passed, thought it might be apropos to tell you just a bit about the old boy: Ole Christof talked Queen Isabella into staking him to three ships, the Ezio, the Pinza, and the Mario Lanza. After sailing aimlessly around the world to escape from his tailor (clothes were expensive in those days, too!), he finally ran out of fuel oil for one of his ships. Knowing America would furnish him enough oil to get home (Marshall Plan) he docked south of the border to make arrangements. Because of the difference in languages, it took him three months to make himself understood. He then took leave of this beautiful country, with the setting sun in the west forming a picturesque background for the three ships, which were laden with gold. Last line courtesy of: Fitzpatrick's Travel-talks . . . If your high school teacher tries to tell you that the above is not so, tell her to see me—especially if she's young, pretty, and free on Monday eve! Columbus Day is also celebrated by all the banks, who take this day off to balance their books.

Hope you guys make it a great success. . . Jess, make sure you don't interfere with Farmer's Day here in Dillsburg. . . Not being able to get to York Springs very often, I'd appreciate hearing from some of you folks there. . . Tell us what's news, and we'll print it. . . It may not come out the way you tell it—but I can't hear so well! Just address any news you might like to see in print to: MY DAZE, Box 183, Dillsburg, Pa. For All news accepted, we will send you absolutely free, a large autographed photo of Wendell Wilkie, who ran for president some time ago. Remember, neatness does not count. ## DESCRIBES MEN WHO ROBBED AND KILLED HER DAD

CHESTER, Calif. (P)—Sondra Gay Young, 3½, yesterday described two men as the killers of her father, two sisters and a little playmate in a \$7,128 robbery-murder.

Sondra herself was brutally bludgeoned and left for dead—thrown across the bodies of the four victims in the trunk of her father's automobile.

Reviving for a time from the coma and shock of a fractured skull, Sondra said one of the assailants was bald and masked; the other unmasked and carrying a gun. She said both wore green shirts, blue jeans and black shoes, and drove a big blue car.

### Taken To Scene

Dist. Atty. Bertrand Jones talked with her in a hospital, then took her and her mother to the massacre scene on a lonely logging road. He said Sondra related:

Her father, Guard Young, 43, obtained money (\$7,128) from a Westwood bank last Friday to cash loggers' checks at his grocery store here Saturday. He bought the children popples and candy, then started home to Chester, 14 miles away.

The trip was a treat for the children: Sondra's sisters Jean, 7, and Judy, 6, and a neighbor, Michael Sallie, 4—all slain, and Sondra.

Two men in a car overhauled them. The unmasked gunman got in the front seat, between Young and Sondra, and forced the grocer to drive onto the lonely road and stop. Jean, Judy and Michael were ordered to lie on the floor in the rear of the car.

### Saw Father's Hands Tied

Here, Sondra began faltering under the strain of trying to remember.

But she did recall seeing her father forced to lie on the road while the men tied his hands behind his back. And that little Michael darted from the car, only to be caught by one of the men.

That's as far as Sondra could go yesterday.

## Too Many School Districts, Says Fine

HARRISBURG (P)—Gov. John S. Fine told a meeting of secondary school principals on Monday that one of the state's chief problems "has been how to reduce the unwieldy number of small school districts."

"We have more than 2,500 such school districts—far too many for efficient management," the governor said in an address before a meeting of the Pennsylvania Branch of the National Association of Secondary School Principals.

The government added, "We now have new laws on the statute books designed to encourage existing districts to merge into larger administrative units, so that their resources may be pooled to provide a better educational program."

"I feel certain," Fine continued, "that our teacher shortage will become less acute, and that higher general standards, more efficient resources, will characterize our educational system."

## Postpone Trial Of Six Communists

PITTSBURGH (P)—Federal District Court trials of six Communists charged with conspiring against the government have been postponed.

Judge William A. Stewart yesterday continued the trials of all but one of the men to Nov. 5 after attorneys asked for more time to prepare their cases. The five are Steve Nelson, Benjamin Carethers, James Dolsen, William Albers and Irving Weissman.

Andrew Onda won an indefinite continuation of his case when a doctor testified he is not physically able to stand trial because of a heart ailment.

### Gave Prisoner Gun To Escape Jail

PITTSBURGH (P)—A 38-year-old Allegheny County workhouse guard has pleaded guilty to charges he helped a prisoner escape and supplied him with a gun.

Alvin Tain of Pittsburgh admitted yesterday he helped John Nichols, 28, of Erie County, to slip away from a cancer clinic Sept. 26. Nichols had been taken there for an examination.

The guard said he hoped to share \$83,000 in loot Nichols told him he had hidden. Nichols was captured near Erie last week. Another guard, John Zipay of Homestead, has been suspended in the case but is not charged.

## COURT UPSETS WIRE ROPE SALE TO BETHLEHEM

SCRANTON, Pa., (P)—The 15-year-old sale of the Williamsport Wire Rope Co. to the Bethlehem Steel Corp.—factor in a judicial resignation and disbarment of an attorney—has been voided by U. S. District Judge Albert L. Watson.

In an opinion handed down late yesterday, Judge Watson upheld a Jan. 24 report of special bankruptcy master Albert H. Aston of Wilkes-Barre, Pa., which said the sale had been made in the presence of a conspiracy between the rope company and Bethlehem.

Aston's report said that a fraud was perpetrated by Bethlehem Steel, former Federal Judge Albert W. Johnson of Lewisburg, former att. John Memolo, a disbarred Scranton lawyer, and others.

It had been recommended that the sale of the rope company for \$3,300,000 be set aside. Judge Watson directed Bethlehem to hold assets of the rope company in trusteeship until further order.

Bethlehem is expected to appeal the opinion and order to the Third Circuit Court.

## ASKS ALL-OUT FIGHT ON REDS

PHILADELPHIA (P)—Gov. John S. Fine last night called for an all out effort to "turn back the corroding alien isms—atheism, pessimism, cynicism and materialism."

The governor, speaking at the 56th annual meeting of the National Association of Mutual Insurance Companies, urged a unity of all Americans to fight any threats to "our religious as well as our national life."

"This is the time to fight," he said, "not a time for vague words, confusion and pseudo-idealism—but a time to do battle for clarity, forthrightness and for the American traditions."

"We must turn back the corroding alien isms," he added, "atheism, pessimism, cynicism and materialism—with freshening and unquenchable idealism, optimism, realism and patriotism."

The surest way to do that, the governor said, is "for all of us to make use of our right to vote in November."

## Some Candidates Oppose Receipts Tax

HARRISBURG (P)—Some 40 per cent of the candidates for the 1953 Legislature favor repeal of an eight-mill gross receipts tax on bus and other transportation firms, the Pennsylvania Bus Association said today.

Harley L. Swift, Harrisburg, president of the association, said all the candidates were polled, with "a lot of them" heard from.

"We're going to see that every legislator knows how needless and unfair this tax is before he goes to Harrisburg in January," Swift said in a statement.

vania's Middle District, said he had studied the master's report and a large number of exhibits attached to the report very carefully. He was convinced, he added, that fraud existed in the sale and approved the entire report.

shuttle these guests between the college and the station, and the Wills House in Lincoln Square, scene of the second episode, to the National Cemetery. The buses will use S. Washington St. and the Taneytown Rd. to the rear gate of the cemetery, expecting to have all of the Western Maryland's special guests there before the Lincoln parade, by horseback, carriage, wagon, and afoot, arrives via Baltimore St.

Sections of Carlisle St. and Lincoln Square will be roped off, according to present plans, to separate the costumed characters from others here to see the pageant.

To Televisive Program

A platform is being erected in a used car lot opposite the station on Carlisle St. for news reel and television cameras. Arrangements were completed Tuesday, according to Herbert Walker, in charge of the tourist and travel division of the Pennsylvania Department of Commerce, to have the presentation televised by the Lancaster TV Station. The state is cooperating in the celebration and featuring it as the outstanding event of the final day of Pennsylvania Week.

The "scenery" to be erected over the front of the Rea and Derick Drug Store in the Wills House, to restore it to its 1863 appearance when Lincoln was the guest there of Judge David Wills, will be erected early Saturday morning, Ray Sovey, art director of the production said today. Street decorations owned by the borough of Gettysburg, and used on Memorial Day, the Fourth of July and other events here, will not be placed. The reason—the flags contain 48 stars, representing the 48 states of the Union. There

nowhere near this number of states in Lincoln's day.

Special Speaker System

At the completion of the dedication ceremonies in the National Cemetery, guests of the railroad will be brought back in the buses to their cars or to the special train, which is scheduled to leave Gettysburg at 4 p.m., arriving in Baltimore at 6:30 p.m.

An elaborate amplifying system to carry the words of Ben Grauer, narrator, NBC radio announcer, to the throngs on the streets and in the cemetery, is being installed today by a Baltimore firm. Amplifiers are being installed at the station, in Lincoln Square, on Baltimore St. and at the cemetery.

Detroit's Automotive Engineers say that cold-engine stalling has been a persistent problem for years. Under certain conditions, powerful gasolines required for today's high-compression engines evaporate and freeze moisture out of the air, "icing up" the carburetor and causing temporary stalling. This stalling is practically eliminated by the new Esso Extra Gasoline. (No gasoline, of course, can correct stalling caused by mechanical faults or electrical failure.)

## SAYS ACCUSED KILLER LOVED 23 YEAR OLD GIRL

BALTIMORE (P)—The state has accused George Edward Grammer of killing his wife because he was in love with a 23-year-old Canadian secretary at the United Nations Headquarters in New York.

State's Atty. Anselm Sodaro in his opening statement identified the secretary as Miss Mathilda Mizbrocky. Her relatives live in Hamilton, Ont.

Grammer, 35, formerly of Baltimore but for the last two years of office manager for a New York metals firm, is accused of killing his wife "with malice aforethought" early in the morning of last Aug. 20.

Mrs. Dorothy May Grammer, 33, mother of three, was found in her car at the foot of a hill near the outskirts of Baltimore. She was dead on arrival at a hospital. The case was first listed as an accident but later investigation brought a murder charge against her husband.

### Expect 120 Witnesses

Sodaro told Judge Herman M. Moser, who is hearing the case without a jury, that Grammer met Miss Mizbrocky in November, 1951, at a bowling alley in New York City.

Miss Mizbrocky had not been formally identified until today. When she appeared to testify before the Baltimore grand jury, she was labeled as the "woman in the red hat."

About 120 witnesses have been listed to testify in the case. Grammer was indicted by the grand jury two weeks after his wife's death.

## WILL ARBITRATE STORE DISPUTE

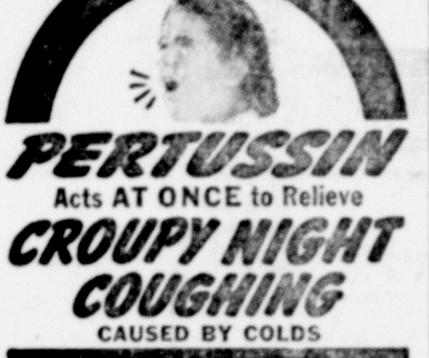

PHILADELPHIA (P)—A judge of the U. S. District Court will arbitrate the dispute over Monday night openings at Lit Brothers, Philadelphia department store.

Judge Albert B. Maris is expected to start hearings this week.

Local 1390, AFL Retail Clerks International Association, had threatened to strike over the company's decision to remain open until 9 p.m. for the next three Mondays.

One of the issues to be decided in the arbitration will be to what extent, if any, Lit Brothers will be required to pay within terms of the contract if the longer Monday hours are approved.

The company holds that it is "inconceivable" for a union to tell a store what hours it should be open.

## Kleptomaniac Is Sent To Hospital

A 41-year-old Gettysburg woman who has said she was a kleptomaniac since she was 16 was taken to Harrisburg State Hospital Saturday for a 60-day observation period on orders of Judge Ray P. Sherwood, York.

The woman had been in the York County prison on robbery charges stemming from numerous York store thefts. She has signed her intention of pleading guilty in court but the present order will hold charges in abeyance until the hospital makes a report on her condition.

The petition for psychiatric observation was presented to the court by jail Warden Clyde F. Sweeney and was endorsed by the jail physician, Dr. Milton H. Cohen and Dr. Charles Taylor, York psychiatrist, who have examined the woman.

### TWO FINED ON CHARGES

## DELAY DEBATE AT OPENING OF U.N. ASSEMBLY

### By OSGOOD CARUTHERS

UNITED NATIONS, N. Y. (P)—The Steering Committee of the United Nations General Assembly headed into an agenda loaded with bitter world problems today as postponement of an expected U. S. pronouncement on Korea delayed opening of the world meeting's general policy debate.

U. S. Secretary of State Dean Acheson, here for yesterday's opening of the Assembly's seventh session, had been expected to launch the debate today with a demand that the 60-nation body appeal to the Communists for an armistice in Korea on U. N. terms.

However, a spokesman for the delegation said Acheson had decided to "get the feel of the Assembly" before delivering the speech, on which he reportedly still was working. The U. S. delay resulted in cancellation of both Assembly sessions originally scheduled for today.

### Dark Shadows

The continued fighting and the stalled trade negotiations in Korea cast dark shadows here as the most pressing problem facing the U. N. Speakers at yesterday's Assembly opening spoke gloomily of the growing threat to the foundations of the world organization.

The Steering Committee begins its consideration of the agenda this morning. Ernest A. Gross will represent the United States on the committee.

Canada's Foreign Secretary Lester B. Pearson, elected yesterday to the presidency of the Assembly, said he hoped the agenda could be drawn up quickly.

## JOHN L. LEWIS BACKING ADLAI; WILL CAMPAIGN

By NORMAN WALKER

CINCINNATI (AP) — Labor leader John L. Lewis rolled up his sleeves today for a personal campaign stump tour for Democratic presidential nominee Adlai Stevenson.

Lewis already has charted two quick speeches in West Virginia for Stevenson and the Democratic ticket, and the implication was plain party leaders only had to ask to get Lewis to invade other states.

The United Mine Workers Convention quickly and with seeming enthusiasm followed Lewis in formally endorsing Stevenson yesterday.

First Since '36

There was talk that the miners' union chief will make some radio or television appearances.

It was the first time Lewis has gone unreservedly into the Democratic party column since he supported the late President Roosevelt in 1936.

Later, he broke with Roosevelt and in 1940 supported GOP nominee Wendell Willkie. He opposed choices of both parties in 1944 and 1948.

The decision of the 72-year-old miners' chief put virtually all organized labor in Stevenson's corner. Both the AFL and CIO previously had come out for him.

Critics Like

In his speech, Lewis laid stress not so much on qualities attributed to Stevenson but on criticism of Stevenson's opponent, Republican nominee Dwight D. Eisenhower.

Describing Eisenhower as the candidate of "the country-club aristocracy of America," Lewis wound up with this:

"I care not whether a citizen works in the coal industry or the steel industry or the railroad industry or lives on a farm or works in an office or a counting room."

"I think the interests of all that great mass of Americans are identically placed where all may see in his campaign and they may decide whether they will go on that side of the line and take the professional soldier, Eisenhower, or

## Accuse Ex-Mayor Of Stealing \$100

SYRACUSE, N. Y. (AP) — A Pennsylvania firm contends in a suit filed here that Roland B. Marvin, former mayor of Syracuse, "converted" \$100 to his own use while acting as attorney for the concern.

The civil action was brought yesterday by Alfred I. Stauffer and Gertrude B. Stauffer of Honey Brook, Pa., doing business as Stauffer Machine Shops.

The Stauffers allege that Marvin failed to pay \$100 of the company's funds to Peace Justice Hawley S. Booth of Chenango Bridge, who had fined one of the firm's truck drivers \$200 for violation of the highway use tax law July 10. Marvin paid Booth the other \$100 of the fine, the action says.

The firm also is suing for \$75 the Stauffers contend they paid Marvin for his services.

Marvin was mayor of Syracuse from 1928 to 1940. He also has served as chairman of the Onondaga County Republican Committee.

## Pennsy Pilot Is Killed In Crash

KEY WEST, Fla. (AP) — An Easton, Pa., man was killed yesterday when his F6F Hellcat plunged into the sea 26 miles north of the Boca Chica Air Field.

Lt. Vincent J. Noccole, 33, was on a routine gunnery training flight with four other planes when the crash occurred.

Two crash boats, two airplanes and a helicopter rushed to the scene. Noccole's body was recovered from the wreckage by divers about four hours after the crash.

He is survived by his father, Carl Noccole, of Temple, Pa.; his mother, Mrs. Nora Noccole, and a brother, Anthony, both of Easton. When Noccole entered the Navy in 1942, he was erroneously listed as "Noccole" and he continued to use that spelling.

## 8 Missing In Explosion At Nitro-Mixing Plant

BARKSDALE, Wis. (AP) — A nitro-mixing unit of the Du Pont Co. near here was ripped by an explosion early today.

Company officials say eight men are missing and believed dead.

The explosion occurred at 2:47 a. m. (CST) but details were unavailable nearly six hours later. Company officials permitted no one to enter the area.

Hospital officials at Washburn reported no one had been admitted to the hospital, but repeated a report that eight men were killed.

Damage to the plant was estimated at \$75,000.

Additional thousands of dollars of damage was done at Ashland, three miles across Chequamegon Bay, where hundreds of windows were broken. The main street in Ashland was covered with glass from broken store windows. Buildings also were shaken in the community of Washburn, five miles from the plant.

The unit in which the blast occurred was built two years ago. It housed a process manufacturing nitramix, a by-product of TNT used in ore mining.

The cost of the policy is one dollar per school year and covers doctors' and dentists' fees, hospitalization, loss of limbs or life. The teachers have reported that 351 pupils have subscribed to the policy.

Irene Koonitz, a senior student, has been selected to assist, part time, with the clerical work in the school office. Mrs. Carl H. ## ACCIDENTALLY KILLED

CONNELLSVILLE, Pa. (AP) — James Redner, eight-year old son of retired Army Col. Francis B. Redner, was accidentally shot to death by his 16-year old brother, Donald, last night Fayette County Det. Frank B. Kane reported.

Kane said the shooting occurred in a second floor bedroom while the older boy was showing his brother how their father loaded and unloaded his revolver.

The officer said Donald told him the revolver discharged while it was pointed toward the young boy, the bullet striking him in the chest. Kane said no charges will be preferred.

## RED SERGEANT ESCAPES ARMY

FRANKFURT, Germany. (AP) — U. S. High Commission authorities disclosed today that Pavel Aleksandrovich Bondarchuk, 23-year-old former junior sergeant in the Soviet Army, has been granted political asylum in West Germany.

Bondarchuk fled from his unit last summer by boarding a streetcar in the Russian zone of Austria and riding into four-power-occupied Vienna. From there he made his way to the American zone of Germany.

"In Austria I was treated like a prisoner during my three and a half years' service there," he told American officials. "I had no home leave, no leave at all. We could not have Austrian friends."

"I became convinced that the only reason the Soviet authorities feared contact between their soldiers and the Austrians was because they did not want us to learn the falseness of Soviet propaganda that says how badly the Austrians live."

He said the memory of a friend being sentenced to a long prison term for a minor tractor accident—construed as sabotage—and the severe confinement of his army life finally caused him to come to the West.

Bondarchuk said the Soviet Army II equipment to its men in Austria "but back in Russia, there is plenty of fighting equipment, the newest and the best they can produce."
